INTRODUCTION

This document is to guide applicants on the BPA Registration and Renewal for various categories. A company may apply for and obtain BPA in more than one category provided it is registered by Corporate Affairs Commission (CAC) and has the appropriate legal status as well as the competencies/capabilities/equipment to carry out the jobs.

LEGAL FRAMEWORK

These guidelines are issued pursuant to Section 8, subsection 1(a) and 9, subsection 1(a) & (h) of the Petroleum (Drilling and Production) Amendment Regulations 1988, which empowers the Director of Petroleum Resources to formulate Regulations/Guidelines from time to time for the smooth and safe operations in the Oil and Gas Industry and section 60A of the Petroleum (Drilling and Production) Amendment Regulations 1988, which provides that no company shall render or be engaged to render technical services to the Oil Industry without first being registered and issued a BPA to carry out such services by the MD NNPC Retail Limited. On the basis of this legal framework, any service company that operates in the Oil and Gas sector without a BPA is in contravention of the provision of the above Regulation.

GENERAL INFORMATION

1. Effective March 1, 2019 all BPA issued pursuant to these guidelines shall expire on the anniversary of the date of issue.
2. NNPC Retail Limited does not encourage the use of touts, and will not indemnify any company or person against any loss arising there from.
3. Forged and/or fake documents renders an application void and statutory fees paid will be forfeited (company to be blacklisted).
4. Applications are received throughout the year: for enquiries, please visit NNPC Retail Limited website (retail.nnpcgroup.com) or call +2349091000086, +2348155005000, or email nnpcretailcontact@nnpcgroup.com, or live chat on the portal.
5. All applications in the major and specialized categories may be subject to further evaluation. Such applications may take longer to process.

6. Successful accreditation/approval issued for intended waste management services, restoration services, laboratory services and safety training providers shall precede the issuance of a permit (this may include presentation, inspections, relevant environmental studies and pilot trial)
7. Tax clearance certificates uploaded in applications during the preceding permit year remain valid and acceptable for permits renewal purposes until 30th April of the new permit year (this is in line with the federal tax laws).
8. Nigeria Social Insurance Trust Fund (NSITF) payment registration uploaded in applications during the preceding permit year remain valid and acceptable for permits renewal purposes until 28th February of the new permit year.
9. Companies registered as enterprises can apply for and be issued major category permit only in certain areas of Consultancy e.g. Legal, Architecture, Quantity. Surveying, Estate/ property mgt. etc. they will not be accepted for special category permits (refer to exemptions to the general rule: enterprises are allowed to offer technical consultancy as in section 56 of the companies' act)
10. Personal income tax clearance of directors for companies registered as enterprises are acceptable; only federal Inland Revenue Services (FIRS) Tax certificates (WHT) are acceptable for limited liability companies.
11. Applications of service companies/providers that had failed to renew their permits for more than three (3) consecutive years will be treated as new.
12. This guideline is subject to review without notice at the discretion of the MD NNPC Retail Limited.
